34th AIT Career Fair: 14 new companies participated in the AIT Career Fair

AIT Career Forum:
The Career Center is holding its 1st AIT Career Forum on 6 November 2024

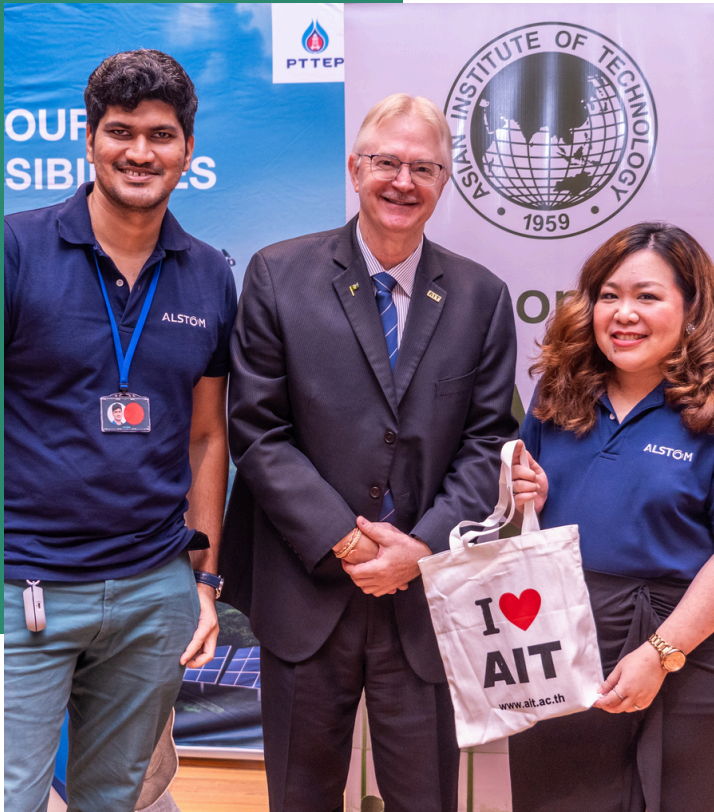

34th AIT Career Fair is a success!

On 27 March 2024, the AIT Career Center held its 34th AIT Career Fair, participated by 29 companies in different industries. These companies are from the manufacturing, engineering, industrial services, education, digital technology, and recruitment industries, of which 14 were first-time participants. .

Over 500 visitors, including AIT students, staff, and outsiders, successfully attended the said event.

Company Representatives, AIT Professors, Executives, and Staff

Career Fair Highlight

What to look forward

- The AIT Career Center is committed to providing services to AIT students by bridging the gap between them and employers by conducting activities such as career fairs and career talks, which the office is constantly improving.

- True to our mission, we are pleased to announce that the 1st AIT Career Forum will be held on 6 November 2024. Organizations from various sectors are expected to conduct presentations to AIT students showcasing the available career opportunities in their offices.

Welcome onboard, View!

Ladies and gentlemen, we are glad to have our new staff joining our team! Introducing View, the new Student Welfare Officer, is ready to help the students with their medical insurance and welfare concerns. You can contact him at (662) 524-6744 or email student-welfare@ait.ac.th.

Career Talk Highlight

On March 6 and 13, five (5) companies conducted a career talk with the aim of presenting the career opportunities in their offices. The Career Talk entitled 'Navigating Careers Across Diverse Industries' is divided into two sessions. Over 50 combined students eagerly participated in the said event.

A little heads-up

- The very first AIT Career Forum will be on 6 November 2024. Organizations from various sectors with available jobs are encouraged to participate. A registration form will soon be available. Stay tuned for further announcements!
-
- Do you feel confused about how to begin with your career search? You might be in need of help. Start by booking an appointment with the Career Center office to guide you as you navigate your career path. Details will be provided soon!

We are cooking something exciting!

The vision of AIT Career Center is to be recognized as the reliable source of career counseling and related services for students and alumni of AIT.

Our mission is to link AIT students and alumni with employers across the globe.
